**★ THE BASICS ★**

**Essentials for the beginning beader!**

**Basic Wire Wrap**

Shape sterling silver wire into perfect loops that link, join, and never open up. This class gives you the wire basics so you can make earrings, necklaces, bracelets, and more!

**Basic Seed Beading**

Work with a needle and thread to create lovely beaded straps or embellished cuffs. You can learn stitches like the peyote, herringbone, and spiral rope!

**Basic Knotting**

From chic lariats to dainty gem studded bracelets, the classic knotting technique is still contemporary! It's versatile, stylish, and so easy to do!

**Crystal Beadweaving**

Create stunning bracelets like the Rainbow Ribbon or cute little charms like the Tiny Turtle! We've got a sparkling menagerie of projects for you to choose from, including lots for beginners!

**Kumihimo on a Disc!**

Tradition goes modern with the kumihimo disc, a fun and easy way to weave beautiful braids! In fiber, leather, or metal, this ancient Japanese art form remains elegant and timeless!

**You Can Bead! (A Studio for Beginners!)**

Anybody can make beautiful jewelry and that's a fact! This personalized studio class is perfect for those with little to no experience. You'll learn the foundations of basic beading and gain the confidence to create amazing works of art!
